

TRAIL DETAILS

Start your journey across the **Dogwood Fiber Trail, April 10–18, 2026**, and experience something special at every stop. During the trail, all participating shops will be open **at least 10 AM – 5 PM**, with some shops offering extended hours — be sure to check individual shop schedules.

Make it a goal to visit each participating shop — **in person or online** — and discover new yarns, fresh inspiration, and exclusive trail offerings along the way.

Bring this trail map with you and present it at checkout. With a purchase, you'll receive a stamp.

One stamp per person, per shop.

Collect all the stamps and you'll be entered into the **Grand Prize drawing**.

Be sure to check each shop's website for special events, exclusive promotions, and updated details throughout the week.

Can't make it in person? Information for online and hybrid participation is available on the Dogwood Fiber Trail website.
